Hi Claudia,

Sonja Loyd at LDEQ has confirmed receipt of my request for data on 05/14 and has stated that she will respond as expeditiously as possible.

Please let me know if you have any other questions.

Thanks.

Subject: Wrapping up Loop

Folks

On our call with LDEQ this week I promised Scott that we would wrap our comments on Loop by the end of next week (5/23). I understand we're still looking at Coastal Zone Management Act, NMFS, public notice issues related to EPA's portion of the permit and Cormix model run assistance.

Brent, let me know what holdup we have on your issues.

Taim, were you able to talk with LDEQ staff and assess the scope and timeframe for the work needed?

Thanks.
